Albany Girl Writes Best Essay in Air Mail Contest

First honors in the recent essay contest for Albany and Berkeley high school students on "Wings Across America," sponsored by the Post Office Department, was won by Betty Lou Stoltz, 15, of this city, reports Postmaster Frank M. Whiting.

The contest was conducted in connection with National Air Mail Week, May 15 to 21, and brought hundreds of entries from the high schools of the two cities, he said.

Betty, an honor student at Albany High School, has won an airplane trip to Boulder Dam and return by the excellence of her effort. The essay will next be sent to Los Angeles to be entered in the National contest, which offers an air trip to Miami, Fla., to the winner.

She is the daughter of Mr. and Mrs. George Stoltz of 1315 Washington Avenue.

MAKES PROCLAMATION

Official notice of this City's participation in the national celebration which begins next week-end, is given in the following proclamation by Mayor O. C. Yenne:

"Whereas the Post Office Department at Washington, D. C., is sponsoring Air Mail Week May 15 to 21, inclusive, and

Whereas this is the twentieth anniversary of the regular Air Mail Service in the United States, and Whereas I believe the citizenry of Albany have a lively interest in the development of Air Mail in Our Nation, now

Therefore, I, O. C. Yenne, Mayor of Albany, do hereby designate the week of May 15th to 21st as National Air Mail Week and do call upon our people to make proper observance of this week by liberally patronizing the Air Mail and otherwise evidencing their appreciation of the efforts of the Post Office Department to provide this necessary service."

Crash Kills G. D. Roblin

With Rev. George G. Saywell officiating, funeral services were held Tuesday afternoon for George Donald Roblin, 26, who met death last week near Arcata. The rites were held at the James J. Ellis Company of this city, followed by interment at Sunset View Cemetery.

Mr. Roblin, son of Mr. and Mrs. Ernest Roblin of 2015 Santa Fe Avenue, was killed when his motorcycle plunged off an embankment Tuesday, April 26, as he was on his way to work in a lumber mill. The accident took place on the Redwood Highway four miles south of Arcata, it is reported.

With his wife, Mrs. Virginia Roblin, he had recently been living in Alliance, a short distance from where he was employed. He left for work on Tuesday morning but never reached his destination. Authorities discovered the wrecked vehicle on Friday, his body nearby.

Also surviving are a sister, Miss Martha Roblin, and an uncle and aunt, Mr. and Mrs. A. F. Roblin of 809 Kains Avenue. The deceased was a native of Charlotte, Mich.

Approval on WPA Projects Is Given

Approval on WPA projects totaling \$100,000 has been received by local officials this week. Main item is for \$65,000 which is to be expended on street repairing, curb work and other improvements, tells City Engineer H. I. Dygert.

The sum of \$35,000 has also been promised for painting and improving local schools, according to word received by Allen Keim, superintendent of schools.

Both projects have been officially approved in Washington, D. C., and are now under consideration by the San Francisco office of the Works Progress Administration.

Mr. and Mrs. Henning Erickson of 1492 Solano Avenue recently returned from a vacation spent in Esparto, Yolo County, as the house guests of the latter's uncle, A. W. Anderson.

Men Present Fine Program Last Sunday

Featured by the showing of motion pictures in color of a trip through Europe, the meeting of the Men's Breakfast Club last Sunday morning at DeBiasi's was declared one of the most successful held for some time. In charge was President Frank Ryken.

The films were shown by Elmer Rickey, head of the history department in the Roseville High School and brother-in-law of Henry Villa, local Chevrolet sales manager. Accompanying the exhibition with informal comment on the various countries and scenes, Rickey entertained the members with 500 feet of scenes in Belgium, Holland, Germany and Italy.

He and Mrs. Rickey, he explained, made the journey last summer on a schedule they had arranged in order to witness interesting events in each of the various countries.

NEW MEMBERS GREETED

Introduced as new members were Henry Berndt, proprietor of the Albany Beauty Salon; Glenn Cowden, owner of the Associated Station at Marin and San Pablo Avenues, and Joseph Ellisen who is now operating the Roberta on Solano Avenue.

Following a discussion members voted to adopt the plan of levying an extra 25-cent charge at each meeting, instead of collecting dues by the year as at present. Cost of the breakfast is thus to be 75 cents, and the asserted bother of collecting annual fees will be eliminated.

The men also voted to offer full cooperation to the Recreation Department in sending needy children to the summer camp. Plans to raise the necessary funds will be handled by A. B. Taveira and Treasurer Ted Williams.

A report on the joint picnic with the Women's Breakfast Club was given by Frank Mello, who announced that full details would soon be revealed, including the site and date of the annual affair.

New Hospital Pact Looms

Following a conference held Wednesday night in the City Hall, it was announced by the City Council that a new contract with Humboldt Hospital for local emergency treatment will be drawn up. To be included in the agreement, it was said, will be the stipulation that 24-hour hospitalization be given where it is necessary.

The meeting was called following a situation last Saturday morning when four seriously hurt accident victims were brought to the hospital under the direction of police and had to be moved almost immediately to Berkeley General Hospital. The local institution was filled but emergency treatment was given there. Permission of Dr. Martin J. Lacey was secured before the patients were transferred.

Seeking to prevent similar occurrences in the future, Police Chief Lloyd Jester called the conference, received assurance that every cooperation would be extended by his department at all times. Also present were Mrs. Mary Lamatch, co-proprietor of the hospital, and Mrs. May Ellis, representing the Chamber of Commerce. Presiding over the meeting was Mayor O. C. Yenne.

A severe cold has confined Betty McCullough to her home at 967 Curtis Street for the past few days, disclose her parents, Mr. and Mrs. Robert McCullough. The child is under the care of Dr. Douglas Ream.

WINS AWARD

Betty Lou Stoltz, 15, was declared the winner of the recent essay contest for Albany and Berkeley High School students in connection with National Air Mail Week.

Women 'Take' Men's Site For Session

Up bright and early last Sunday morning, members of the Women's Breakfast Club not only enjoyed a fine meeting and breakfast but also stole a march on their male rivals, confides Mrs. Eva Burns, president. Because of their latter action, she announced, the meeting on June 5 will be held at DeBiasi's, usual site of the men's gathering.

If the males wish to meet in their accustomed place, the women might consent to a joint meeting, it is rumored.

Members of the women's group also decided to attend the Albany Community Church next Sunday in celebration of Mother's Day. All members and friends are urged to be present.

Entertainment was furnished by Mrs. Lester Thornton, who offered a comedy monologue, "Belinsky at the Wedding." So great a hit was it that she was obliged to present an encore number.

Mrs. Florence Taveira, chairman of the picnic committee, gave a report on the annual affair to be held in conjunction with the men's club, promised that definite plans will be announced shortly.

In charge of preparing and serving the breakfast Sunday was Dr. Jane Paxson, ably assisted by Mrs. Dorothy Parker, Mrs. Mabel Ryken, Mrs. Winnie Ryken and Mrs. Beatrice Raymond.

Ellis Company, with Rev. George G. Saywell officiating at the services. Interment followed at Sunset View cemetery.

She is survived by four sisters and two brothers, Mrs. Anna Bryant, Mrs. Mamie Merrifield, Mrs. Jessie Johnson, Mrs. George Mercer, James and George Dunbar, all of Canada. Also surviving are two nieces, Mrs. Mary Bruce and Mrs. Margaret Mary Carleson.

Marin Dads Club Elects New Officers

Unanimous election of officers for the coming year was held Tuesday night by members of the Marin Dads Club in the meeting held in the school auditorium. Installation of the men named will take place next month, according to President Harold L. Burlingame.

Chosen president was Henry Hamann of 1051 Ordway Street. Named to aid him in managing the affairs of the club were William DePuy, vice president; Earl W. Smith, secretary, and John S. Sloan, treasurer.

All are active members of the club and announced that they will cooperate to make the next year one of outstanding progress for the organization. Each stressed the fact that continued growth of the club depends on harmonious work by all concerned and promised to do their part in such a campaign.

JUDGE IS SPEAKER

A dynamic talk on "Delinquency Among Minors" was presented by Superior Judge A. F. Bray of Martinez, introduced by Charles Ham. The speaker drew from his wide experience in handling juvenile cases, placed the blame in many instances on parents of the offenders.

"At least 50 per cent of juvenile delinquencies," he claimed, "are the result of improper parental supervision." Telling of specific problems he has encountered on the bench, he listed a number of the causes, offered his suggestions as to the remedies.

A number of cowboy songs were presented by performers from the Recreation Department, following which refreshments were served in the cafeteria under the direction of Orman Stone.

Albany Pets To Be Shown

If local pets are wondering about the extra attention being paid them the past few days, they'll soon discover that the reason is the big pet show to be held tomorrow morning in Terrace Park by the Recreation Department. The event is to start at 9:45 a. m.

The family cat, dog, canary, parrot or other household animal will be on display at that time in the four sections of the park which are to be roped off for various classifications. In charge of the dog departments will be Cleo Ralph, leader of the Federal recreation project. Other leaders will be under the direction of William Anderson, training supervisor.

Victor Yellis will have the task of keeping pet cats from wandering over into the section occupied by birds. Miss Margot Lochhead will be in charge of the latter. The miscellaneous entries will be handled by Mrs. Alice Wann, who has already heard disturbing reports that several snakes, although harmless, are to be on display.

Albany owners are asked to act as judges by Thomas L. Farnsworth, director of recreation, and Edwin S. Howell, supervisor. Ribbon awards have been prepared and will be given to the first three winners in each division.

All pets must be brought to the park on a leash or in a cage, the officials have declared.

Club to Present Sports Program

The Albany Acacia Club will present a smoker and sports night for members of Thousand Oaks Lodge, F. and A. M., next Tuesday night at the latter's hall, it is announced by President Irving M. Liner of the local group. A program of wrestling, boxing and fencing has been arranged.

Members of the Acacia Club are invited to bring their friends to the affair which will start at 8 p. m. Refreshments will be served during the evening.

School Board in Regular Meeting Tuesday Night

The regular monthly meeting of the School Board will be held next Tuesday night at 7:30 o'clock, announces Mrs. Josephine Foley, secretary. The session will take place in the board room.

Routine business is scheduled to be handled, although reports are current that groups of citizens intend to ask reconsideration of the edict last month that called for the dismissal of seven teachers in the local schools. At the last session, which was called to reinstate Principal Charles Moore and Vice Principal Fenny of the High School, a petition bearing 296 signatures was presented asking that Miss Shirley Bethel and William Borden, both of Cornell, be retained.

Council Gets Request for Water on Hill

In anticipation of future building and immediate safety needs on the top of Albany Hill, a suggestion was made by Fire Chief Carl Ahlgren to the City Council this week that the East Bay Municipal Utility District be contacted to ascertain the steps necessary to secure a water supply therefrom.

City Clerk H. W. Brewer was instructed by the council to write to the water company for this information. In voicing his idea, Chief Ahlgren pointed out the potential fire hazard that summer will bring on the hill.

At the motion of Councilman B. W. Mowday the group voted to send a protest to national representatives on the recently announced slash in appropriations for the Federal Bureau of Investigation. Mowday emphasized the fine record of the G-men, declared a reduction in personnel should not be permitted.

Permission was granted A. F. Peters, poundmaster, to take a month's vacation without pay between May 9 and June 9. Appointment of a temporary official at \$100 a month is to be made by the police commission.

The council accepted the plan introduced by Councilman Vincent Hanahan to install a stop sign at Pierce Street and Solano Avenues, the scene of several serious accidents. Approval was given by Police Chief Lloyd Jester and has already been expressed by the Albany Traffic Safety Commission.

City Victor In Big Suit

Albany was given the decision Wednesday afternoon in a \$50,000 damage suit being heard in the Superior Court of Judge Leon Gray in Oakland, when the jurist ruled non-suit in the case of Ralph Matthews, 13, who sought the amount for injuries received when a piece of fireworks exploded here on July 5, 1936.

Appearing for this city was J. Yovino-Young, city attorney, in his first defense of the municipality which elected him to office last month. Called to the stand during the two and one-half day proceedings were Mayor O. C. Yenne, City Clerk H. W. Brewer, Mrs. Grace Higgins, city treasurer; Lawrence Williams, member of the School Board, and Arthur J. Kirkpatrick, former Albany superintendent of recreation.

Cause of the suit was an explosion nearly two years ago in the backyard of Mr. and Mrs. H. Matthews, who then lived on Fillmore Street. Their son had picked up a fireworks bomb in University Park where a City celebration was held the day previously and had brought it home, where it went off. The resultant blast destroyed one of the boy's eyes. The family is now living in Oakland.

A claim for damages was filed against the City about a year ago, in which negligence was charged against those under whose supervision the fireworks display was held.

Seek Public Use of Pier

Sponsored by the San Pablo Avenue Sportsmen's Club, a plan is now gaining in favor to permit use of the Berkeley Pier for public fishing. Members of the group are presently working on details to be presented to the Berkeley City Council at a mass meeting scheduled for Tuesday, May 24, at the Berkeley City Hall.

The lengthy pier was recently turned over to the city of Berkeley on abandonment by the Golden Gate Ferry, is reported being sought by a number of commercial organizations for private enterprises.

Already a conference has been held with City Manager Hollis R. Thompson on the project and his approval has been secured, it is said. In order to accomplish the purpose of securing such a splendid public fishing facility, the support of all interested groups is being sought.

Representing the local club are President John McAuliffe, Secretary Emilio Tognetti, Irving M. Liner, Arthur B. Taveira, Steve Allen, Harvey Skee, Herbert Knight, Bill Snell and John Ryan.

In charge of the program was Charles A. Moore, principal of Albany High School. The session was conducted by President Kenneth Glines.

18 Men to Seek Places on Civil Service Lists

Eleven applicants have signed up to take examinations for the Police Department's eligibility list, it was announced yesterday by the Civil Service Board. A total of seven was reported for those seeking a place on the Fire Department list.

In charge of the examinations this time, as in the past, is Arthur R. Bellman, well-known Berkeley attorney. Personal interviews will be held by Bellman at the City Hall beginning next Monday night. Written tests will begin Wednesday night at the High School, he said.

Applicants will take agility tests on Sunday, May 15, according to present plans.

Admission tickets may be secured from members of local Dads Clubs. There is no charge for the affair which is to start at 8 p. m.

More than 120 Albany Boy Scouts will gather tomorrow in University Park to participate in the two-day program of events that make up the second annual Camporette. Members of the City's four troops will pitch their tents and set up a miniature city with a teeming schedule of activities.

Tomorrow night's attraction for the public will be in the form of a huge campfire show, with all types of stunts. During the day the boys will be busily engaged in preparing for this affair and in passing numerous tests and examinations.

Sunday morning an open air church service will be held in the park with Rev. O. R. Janke, pastor of the Grace Lutheran Church, delivering a sermon on "The Obedient Scout." This is set for 9 o'clock. The service will also include vocal selections by Eugene Hellwig, Donald Murison, Billy Brown and Alan Livingston, members of the troops. They will be accompanied by Dante Mazzoni, young accordionist.

SERVICES AT CHURCH

Catholic services will be held at the same time for the boys, at St. Ambrose Church, Gilman and Stannage Avenues. Rev. J. J. Hennessy will officiate at these rites.

During the day Theodore Tro-noff will assume his position as district commissioner of the scouts, replacing W. R. McGeorge who is retiring at this time. William Hansen, member of the Marin Dads Club, will also take up duties as district commissioner.

An excellent opportunity will be provided local citizens and parents of the boys to witness the fine work being done in Scouting by these troops. All events are open to the public.

FOUR LOCAL TROOPS

The boys to be present are members of the four local troops which are sponsored by the following groups: Troop No. 12, the City's oldest troop, Albany Post, American Legion; Troop No. 42, Marin Dads Club; Troop No. 45, Albany High Dads Club; Troop No. 46, Albany Community Church.

Chairmen of the troops are C. F. Graeber, Stuart Ebner, Dr. Everett Coe and Harvey Brown.

The Camporette, it is pointed out, will also be in the nature of a preparatory event for the regional Camporette which is to be held on May 21 and 22, with troops from the Berkeley-Contra Costa Area taking part in various types of competitive activities.

To Speak at P.T.A. Meet

Members of the Marin P. T. A. will be addressed by Rev. Fred Stripp, Jr., pastor of Thousand Oaks Baptist Church, at the monthly meeting which is to be held in the school auditorium at 2:45 o'clock Tuesday afternoon, May 10. Reverend Stripp, who is president of the Berkeley Ministers' Fellowship, will speak on the topic "Peace Through Understanding."

A group of opera arias in foreign languages will be sung by Mrs. Barbara Kroft Gregory, member of the High School faculty.

Mrs. E. L. Stine, president, announced this week that the business session at the Tuesday meeting will be an important one, and urged that all members make an especial effort to be present.

The new budget is to be presented at this time. Initial steps may be taken, also, toward the revision of the association's by-laws to make them conform to those of the state.

Miss Margaret Anne Brouchoud was announced as the new chairman of the recreation and safety committee. Decorations and room mother chairman will be announced soon.

AT ALBANY HIGH SCHOOL

By Frances Binante, Publicity Director

SOCIETY PLANS PARTY DINNER

Thirty members under the sponsorship of Mr. Flegel attended the semester party of the Junior Society of Albany High on Wednesday, May 4. They first attended the United Artists theater in Berkeley and then had dinner at the Pepper Tree.

Officers of the group are: President, Margaret Hyde; Vice-president, Allen Sola; and Secretary, Julia Cogliola.

GIRLS' PLAY DAY

Thursday, May 5 was chosen by Miss Robertson, physical education teacher at Albany High, for the annual Girls' Play Day. The event consisted of interclass rivalry between the grades and a beautiful pennant was to be awarded to the winners.

The captains are: 8th grade, Norma Sovick; 9th grade, Aileen Sola; 10th grade, Rita Guay; 11th grade, Verna Mae Crackburn; and the 12th grade, Marguerite Tyler.

Among the various events held were: 50-yard dash, 75-yard dash, potato race, baseball throw for accuracy and distance, basketball goal throw, broad jump, hop-step and jump, high jump, and the relay. These races were held in both "A" and "B" classifications.

SENIORS GUESTS OF COLLEGE

Marin Junior College cordially invited the high seniors of Albany high to be their guests today. They will be taken on a tour through the school and luncheon will be served free of charge. An entertaining program is scheduled for the afternoon in which two numbers from Albany will be featured. After the dinner dancing will be enjoyed during the evening. About twenty students are planning on this gala affair.

MARIN SCHOOL NOTES

TEACHER PAINTS FLOWER POTS

Mrs. Harvey, teacher of the second grade, turned artist Monday. She said that she had gotten tired of looking at the dirty red that the flower pots in the front hall had become. She got some green paint Monday night and painted three out of four of the pots. The fourth is in a straw stand so it didn't need any paint.

SNOW WHITE AND DWARFS

The kindergarten, both morning and afternoon classes, has been reenacting memorable scenes from "Snow White and the Seven Dwarfs."

In the morning class the children who are doing unusual work as the main characters are Faye Ide, Frank Roberts and Joyce Hanson. The other children act as animals and other characters.

The afternoon class play stars Margaret Nelson, Janet Norton and George Guppy. These tiny children have built an adorable house, trees, bridge and a tiny casket for stage scenery.

—By Jackie Smyrl

A GOOD SURPRISE

Since the high third is studying the water supply of California, they are going to visit the Albany filter plant. Miss Malik is taking the students as a surprise.

—By Donna Nichols

WALLS OF INTEREST

Mr. Rudd's classroom walls are certainly covered with interesting projects. The most interesting is the time line made by the low seventh grade. The dates are from 20 A. D. to 1940. Important events, changing of boundaries, changing styles, and stages of transportation are marked at the appropriate places.

Jack Serex and Sylvia Ojala have made a graph of the foods and livestock of the world, showing the percentage of each important country. Other pupils have started other maps and graphs of a similar nature. All the visitors find them very interesting.

—By Margie Lee Clark

BOOKS! BOOKS! BOOKS!

There are many types of books being studied in Miss Lemmon's classes—old books, new books and even odd books. The students have been bringing books in for the display table which is now very interesting. On the table is a book 200 years old, a book of old jintypes, and even a dictionary which would fit in the palm of your hand.

—By Phyllis Norin and Gloria Storck

MARIN BEATS CORNELL

Marin and Cornell tangled again on Tuesday afternoon at the former school, with Marin winning 5-3. Edward Lotti pitched and Earl Elliott was the catcher. Last time Marin played Cornell they also won, by the score of 19-2.

Marin players have been practicing morning, noon and night. The team has yet to lose a game.

Albany Federal Savings, Loan Association Offers Novel Banks

The Albany Federal Savings and Loan association is now giving away free to the people of this community a limited number of world-globe banks. These are large, 10-inch revolving globes, valued at \$3.

A key is given with each bank so that the savings may be taken out and brought to the office of the firm, 1055 Solano Avenue, for deposit. Globe and stand are 14 inches in height, gracefully proportioned to grace anyone's home.

Elsewhere in the Times is a coupon This is to be filled out and taken to the office of the association, with a minimum deposit of \$2. A globe and passbook will then be provided.

According to Cyril Lotz, president of the association, all savings accounts will earn dividends at the current rate. Each account is insured up to \$5,000 by the Federal Deposit Insurance Corporation, an agency of the United States Government.

The only requirement his company is making, Lotz said, is that each account securing a world-globe bank must show a balance of \$25 at the end of one year.

V.F.W. Auxiliary News Notes

The Americanization program at the last meeting, with Mrs. Mary Geraty as chairman, was enjoyed by all present. Because of a number of other meetings on the same night the attendance was not as large as expected, but those absent missed a treat, it is said.

A talk on "National Defence" was given by Lieut. Commander Galpin, U.S.N. Cowboy songs and music were provided by Clifford Cummings and "Rusty" Graham of the Recreation Department. A piano solo was presented by Mrs. Audrey Stephens.

The winner of the recent essay contest sponsored by the Auxiliary, Helen Geurts of the High School, was presented a \$5 check by Mrs. Eva Burns, chairman of the judging committee.

Following a recitation, "Levin-sky at the Wedding," by Mrs. Lester Thornton, refreshments were served in the banquet hall.

The next meeting of Leland Bergesen Auxiliary is scheduled for Tuesday night, May 10, in the Veteran's Memorial Building.

Armand Girard to Appear Sunday at Northbrae Church

Armand Girard, noted NBC singer, has been invited by Rev. Laurence L. Cross, pastor, to sing at the Mother's Day services at Northbrae Community Church, next Sunday, May 8th. Girard, who has sung his way around the world, has appeared by request before President Roosevelt to sing his favorite, "Home on the Range." He was called to Radio City, New York to broadcast from there, but remains in San Francisco by preference. His voice, heard from coast to coast in many transcontinental programs is also heard in character roles in such plays as "Death Valley Days" and "Winning the West." Girard's interpretation of Negro spirituals has won him the praises of noted singers, among them John Charles Thomas, and all his listeners on NBC programs are familiar with his "Gwine to Heaven on the Glory Road." He will sing songs on Sunday appropriate to Mother's Day.

At the same service the Job's Daughters of Thousand Oaks will be present in a body and will give a part of their ritual.

Rev. Laurence L. Cross, Pastor, will preach, and preside over the Reception of Members and the Christening of Children.

The Northbrae Community church is located at Los Angeles Avenue and The Alameda, and the time of the service is 11:00 a. m.

V.F.W. Notes

Meeting in the Veteran's Memorial Building, Leland Bergesen Post No. 2658, V.F.W., held its first session of the month on Tuesday night. Commander F. F. Hayhurst was presented at this time with a commander's badge by County Commander Robert Duncan, also a member of the local group.

It was announced that the Post will participate in Memorial Day services at Sunset View Cemetery. A promise was made by R. Thomas to have a firing squad present for the occasion.

At the suggestion of Comrade Lloyd Blair, entertainment chairman, an old clothes party will be held on the night of Tuesday, May 31.

Guest of the evening was Comrade Earl Colbert, former commander of Corporal Hollywood Post of Alameda, who was called on for a few remarks.

Word from Comrade Knutson, confined to Fairmount Hospital for a number of months, revealed that he is slightly improved.

At the close of the session strawberry shortcake and coffee were served by Mrs. Olive Blair of the Auxiliary. "And some treat it was," reports J. C. Cappelmann, publicity chairman.

Recreation News

Saturday morning, May 28, will find Albany playgrounds humming with unusual activity on three fronts. Marin and Cornell school playgrounds and Memorial park will ring with the enthusiastic cries and gay, spirited laughter as several hundred local boys and girls, participate in their favorite sport.

The three locations have been set aside by the Albany Recreation Department for special events to be staged on this day. At Memorial Park school boys of grammar school age will vie for honors in a combination track and field day. At the two school playgrounds the girls will have a competitive play day.

In addition to the usual track and field events of ordinary track meets consisting of running broad and standing broad jump, high jump, distance dashes and relays, there will be events in baseball throw for distance, hitting the ball for distance, throwing football for distance, running the bases and kicking the football for distance.

The girls will compete in organization games, basketball, baseball, kickball and many other competitive sports being arranged by the women recreation leaders of the local department.

A keen competitive spirit is promised in the events at the three locations, especially in the boys' meet. Men recreation leaders at University, Memorial and Terrace Park, Cornell and Marin School playgrounds are lining up strong teams and endeavoring to train the youthful athletes in the various events.

All boys of school age who are adept in any of the named events are requested to contact the recreation leader in charge at his particular play area and he will be schooled for the meet.

Participants will be limited to boys of grammar school age. They will be separated in groups according to their age, size and weight.

SOFTBALL LEAGUE STARTS
The softball teams representing the Albany Recreation Department, El Cerrito All-Stars, Northbrae Church, Oakland Warehousemen, Frank's 663's, and the Oakland K-9's Gardens are impatiently waiting for the opening gun of the Recreation Department's Sunday morning softball league, set to get under way Sunday morning, May 15.

The schedule for the first round has been drawn up and the teams will be pitted against each other in University and Memorial Parks. Two games will be played simultaneously in Memorial and one contest on the softball diamond at University.

In the final practice game before the season is officially under way, the Albany Recreation Leaders will try to erase their only defeat of the practice season by taking the Frank's 663's into camp. Last Sunday in University Park, Frank's composed of local softball players, upset the leaders by winning the verdict after an extra inning game, by the score of 7-6. In the first game of the day the park directors won their fifth consecutive game beating the Oakland Warehousemen.

Scene from "La Cieca di Sorrento"

"La Cieca di Sorrento," or "The Blind Girl of Sorrento," said to be one of the finest pictures ever made in Europe, comes to the Albany Theater next Tuesday. A special matinee will be held at 2 p. m., while continuous evening performances will start at 6:45 p. m.

The fact that the dialogue is in Italian should stop no one from seeing the film, it is said, because the English titles fully explain the exciting story.

Since 1875 the story has been one of the most popular Italian novels. Millions of copies of the book have been sold and nearly every Italian has read it. In making a film of this work the Italian artists have retained all its values and appeal.

Rabbit, Shepherd Dog Become Pals In Local Home

The unusual sight of a rabbit playfully romping with a dog is a common sight in the neighborhood of 823 Key Route Boulevard, it is said. Both animals live at that address and are the property of the children of Mr. and Mrs. Emil J. Carre.

"Bunny", a large shepherd dog and "Cubby", a full-sized rabbit, are the best of pals now, declares Charlotte Carre, 14, who also told the Times reporter that the dog was distinctly unfriendly toward all rabbits when the family acquired him about a year ago. He had been raised on a sheep ranch in Idaho, she said, and joined their household when his owners moved to Albany.

Other members of the family are Olga, 12; Ray, 17; and Emil, 19.

By Albany Poet

The following poetry is the work of Lloyd Goldbaum of 509 Adams Street:

SOIL

Through deep intrigue, and mastered scorn
With menace and strife my lands been torn
My furrows bent, through beaten toll
The sun rays in my heart would boil.

No endless power has been known
Upon my earth whose seeds were sown
Lofty leaves from every sprout
My trees would bend, while arms reached out.

Colored hues with mellow dawn
Would feed my soil, would pass off scorn
My minerals cry for greater need
My happy ending will be a seed.

PHANTOM RIVER

Have you ever dreamed of a phantom river?
Whose waters were filled with a passionate whine
While on it's bottom sands would shiver
And throw the rocks a flaming shine.

Yet vainly in your quiet hours
There is music in the sky
And you seem to dream of painted flowers
As the river passes by.

The waters glistened in the sun
And on each side like pennons wide
Flashing crystal streamlets run
And distant strains of triumph cried.

The river embraced into a dance
While the silvery ripples run
And with a color of romance
The evening star had come.
